

A BRIDE AND GROOM ASSAULTED IN PARK

Mr. and Mrs. Anderson Attacked by Latter's Relatives.

SCENE IN JUDICIARY SQUARE

Justice Anderson Awards Wife to Husband and Personal Encounter Is the Result—Parents Foiled in Efforts to Secure Custody of Their Daughter.

After Justice Clabaugh this morning awarded Mrs. Mary Anderson to the custody of her husband, Mr. Charles Anderson, the girl's mother, father, and some other relatives followed the bride and groom into Judiciary Park and tried by force to separate them. In doing so Mr. Anderson and his wife were assaulted, and Mrs. Anderson's hat was taken from her. As a result she had to proceed to her home bareheaded.

The assault was seen by the park policeman, who arrested Mr. and Mrs. Steerman, the parents of the girl. They were sent to the Sixth Police Station.

Married Last Monday.

Mary Steerman, the daughter of Mr. Joseph A. Steerman, was married to Mr. Charles Anderson on Monday afternoon by the Rev. Dr. Buck, pastor of Rock Creek Church. Mr. Steerman yesterday, through his counsel, Strasburger & Damman, sought to secure custody and possession of his daughter through habeas corpus proceedings. In his petition the father alleged that his daughter is not yet eighteen years of age, and was therefore unable to make a valid marriage contract.

Mr. Anderson and his bride, a very pretty girl, appeared in court to answer the writ issued against the former. They were without counsel, and Attorneys D. W. Baker and Conrad Symme volunteered to represent them.

In Possession of His Wife.

After hearing the return to the writ Justice Clabaugh decided that Mr. Anderson was in lawful possession of the girl whom he married.

When Mrs. Anderson entered the courtroom her mother and aunt greeted her most affectionately, nearly smothering her with kisses. The girl, however, did not return the greetings in an affectionate manner, and told her relatives to leave her alone and to go away from her.

Mr. and Mrs. Steerman were very plainly disappointed when the decision of the court was announced and their efforts to gain possession of their child were not a surprise to those who witnessed their actions in the courtroom and corridors of the City Hall.

CIVIL GOVERNMENT IN THE PHILIPPINES

Report Received From Acting Governor Wright Made Public.

The Secretary of War today made public a dispatch from Acting Governor Wright, under date of Manila, May 23, reporting that outside of the Morocountry the only portions of the archipelago not organized under civil government are Lepanto, Bontoc, Batangas, Laguna, Principe, Infanta, Mindoro, Samar, and the Paraguan and other small groups. No armed insurrection is in any one of them and there is no reason, so far as relates to peaceful conditions, why civil government in all may not be now established. Special governments for Bontoc and Lepanto, inhabited exclusively by peaceful Igorrotes, will be organized in a few days. A civil government will be organized in Laguna immediately.

"Batangas," the dispatch states, "formerly organized, was turned over to the military authorities by Philippine Commission's act No. 173; will repeat same, to take effect July 4. Only reason for not giving an immediate effect is that many people in this province have only recently returned to their homes, and in order to prevent possibility of suffering think best to have military look over them until date named, because latter have perfected organization, which civil authorities lack."

"Crops are now being planted and will mature by August 1. While Principe and Infanta could be organized at once, it would be difficult to look after them until we receive vessels now building, say, by September 1. Mindoro and Paraguan group are large islands, sparsely populated, and difficult of access without vessels. For these reasons I think best to leave military temporarily in charge, because they have transportation facilities. Under Spanish regime Bontoc, Lepanto, Principe, Infanta, and the Paraguan group did not have local civil government, but were recommended by military officers, and Mindoro was attached to Marinduque."

CLERGYMEN CALL AT THE WHITE HOUSE

Proposition Made to the President to Revive Arts of Indians.

Revs. W. C. Roe and J. M. Van der Meulen, missionaries of the Dutch Reformed Church, the denomination to which President Roosevelt belongs, called at the White House this morning to talk about their work among the Indians of Oklahoma.

"We are attempting to revive the old arts of the Cheyennes and Arapahoes," said Dr. Roe. "We have about ninety women, mostly engaged on beadwork. They are very clever at the work. The men, however, are too lazy, and only work when it is a question of doing so or starving."

MONT PEELE BREAKS FORTH AGAIN TODAY

Gigantic Cloud Darkens Fort de France.

FORT DE FRANCE, June 6.—At 10:15 o'clock this morning Mont Pelee, at St. Pierre, again broke out in eruption. A gigantic cloud darkened Fort de France. Its height could not be calculated. It extended toward the south. No ashes or stones fell here. The volcanic cloud traveled toward the south, and the natural clouds northward. The detonations and rumblings continued until 1 o'clock.

FAVORABLE REPORT ON SHIP SUBSIDY BILL

Said That It Will Go to the White House Approved on June 12.

The report was in circulation this morning to the effect that the House Committee on Merchant Marine and Fisheries will report the ship subsidy bill to the House on June 12. The friends of the ship subsidy measure are hopeful of securing its consideration and passage before the adjournment of the session, and for that reason they want the bill reported at an early date as possible. The bill, it is said, has a majority of one in the committee, which insures its favorable report to the House.

The information was given out at the United States Secret Service Bureau this morning that Fred W. Kristeller, former chief clerk of the Internal Revenue office in Brooklyn, N. He was finally located by a Secret Service officer at Luverne, where he was arrested yesterday. The friend who assisted Kristeller to evade the officers was also arrested. His name is Barrett, and he was formerly a resident of Brooklyn.
